

What about a company pension that matters?

We think our company should get a sustainable company pension and here is a collection of our thoughts.

Are you also interested in avoiding tonnes of CO2 emissions every year with a sustainable pension scheme? If yes, write down your name and your opinion about it.

I'm Nete Green Johannsen from Matter

Why? My money shouldn't be invested in oil, coal and other harmful industries that are ruining the future, I will retire in.
